1 April 1965

MEMORANDUM FOR: Chief, Support Staff, NPIC

ATTENTION : Chief, Logistics Branch, SS

SUBJECT : Maintenance Study, Phase II

25X1 1. Phase I of the Maintenance Study Contract with [] 25X1
[] has been satisfactorily completed, and a proposal has
been received to complete Phase II. This proposal, dated 22 March
1965, lists 14 additional tasks remaining to be accomplished. These
25X1 tasks would be completed in 28 working weeks for an additional cost
of []

25X1 2. The actual costs incurred for Phase I total [] leaving
25X1 only [] for completing Phase II since the total funds committed
25X1 thus far for the contract is only []. Therefore, an alternate
25X1 proposal has also been submitted by [] to include
only the first two of the remaining tasks, if so desired. These two
tasks are to estimate maintenance performance times and schedule
routine maintenance for each item. Intervals between test, calibration,
25X1 and preventive actions are to be determined so as to provide a quality
25X1 level within 95% of established equipment specifications. The cost for
25X1 the alternate proposal is [], and, since only [] remains
in the contract, additional funds of [] are required.

3. It is recommended that the alternate proposal be accepted and
additional funds be authorized. Upon its completion, or near completion,
a decision will be made as to the desirability to continue with the
remaining tasks.
